wiener straße 60-62/2/12, 3400 Klosterneuburg, Austria

Automate all the things!

I am an accomplished .NET full-stack and mobile developer with DevOps, agile product development, delivery, some product management as well as several years of team-lead experience.

experience

2016-08 – present (3.5Y)   **Lead Developer** Tablet Solutions GmbH

Lead for a mobile/cloud SaaS platform for digitalizing industrial construction and maintenance. Established quality standards, Continuous Integration and Continuous Delivery processes, introduced TDD and BDD and always pushing for improvements. Also Scrum Master and responsible for hiring.

Stack   .NET, Angular, Java, TS, C#, Xamarin/UWP, MS-SQL, EFCore, SQLite, ASP.NET Core, GitHub, Azure, Docker, ELK stack, MS Store, TeamCity, Azure DevOps

2011-01 – 2016-07 (5.5Y)   **Software Developer** EMAKINA CEE (former: diamond:dogs gmbh)

Various projects for Austrian and international customers. Mainly .NET backend development for web portals with ASP.NET and ASP.NET MVC (including some HTML/JS/Angular frontend development). Most prominent was a SPA for (§ 57a) vehicle safety inspection.

education

2006 – 2010   Software Engineering

University of applied science upper Austria, campus Hagenberg

1997-2005   BG/BRG Gmunden

languages

german	Native
english	C1/C1
french	A1/A1

certifications

2018   Certified Scrum Master (Scrum Alliance)

personal

I enjoy reading and learn new things and skills. I am also into sports (active and passive), nature and lately also history.

I work best in a harmonic and motivated environment and can play a part in achieving such.
